

Digital Design

Mrs. Batch
Room 1

Welcome to Digital Design!!!! In this course you will learn how to plan, design, develop, and evaluate and then redesign and rework web projects. You will develop skills in four key areas: Project Management and Collaboration, Design, Research and Communication, and Professional Web-authoring tools.

Your grade will be based on your ability to carry out assigned tasks, and the attitudes you display while doing so. Your grade will also reflect the following professional skills: ability to work independently, complete assigned tasks on time, good attendance, and punctuality. Any student missing more than 12 days can be denied credit.

Expectations

- Work hard and do the best you can!!!
- Act like ladies and gentlemen (treat everyone with respect) **TREAT ALL EQUIPMENT WITH RESPECT. MISTREATING EQUIPMENT WILL NOT BE TOLERATED, AND WILL RESULT IN AUTOMATIC DETENTION OR REMOVAL FROM CLASS AND OR LOSS OF COMPUTER PRIVILEGES.**
- Come to class prepared.
- You may leave your seat when you have asked for permission, or the assignment calls for it.
- You may talk quietly when the instructor is not lecturing, or when the assignment is not prohibited by noise.
- Turn your work in on time.
- All rules and guidelines in the Student Handbook apply directly to the classroom
